CASINO TRIPS AND VACATION TRIPS

When signing up for casino trips, it is very important that you provide your player card number if you have one. This is needed by the motor coach company so they can provide the manifest requested by the casinos. Another piece of information that is needed is your birth date. We're not being nosy; this is currently required by the casinos. If you do not provide this information when you sign up, it means extra work and phone calls by our trip volunteers and you may not get your trip incentives.

A NOTE ON MOTOR COACH TRIPS

If you are interested in any announced trip, please let Doris know as early as possible, even if you can't make a deposit at the time. If we know there is interest, we can hold off canceling trips. If you need to cancel a motor coach trip, call Doris at home at 951-9210 or cell phone 478-1802.

THIS MONTH IN THE SPOTLIGHT

WOODBURNING

This month once again, I went in search of talent in our Senior Center, I didn't have far to go, as I looked in on the woodworkers at work. I'm sure you have all seen a sample of their artwork displayed in the cabinet in the hall.

Marge has been teaching wood-burning for about six years, but she has been creating for about ten years. She has won prizes for this and also does craft shows. She does some great colored art. Fred has been wood-burning for six years he started after he saw Marge doing a demonstration in the center. He is a master at capturing animals (see Chaya in the cabinet). He was doing a horse portrait the morning I was there, it was wonderful, even the eyes seemed to sparkle at you. What a gift that is. Kurt has been doing this about about two years. He came because he heard what a good teacher Marge was. He is really good at birds, deer, and nature.

Margaret has been wood-burning for about five and a half years and she too tried it after seeing Margie giving a demonstration. Her favorite things to do are flowers and butterflies, she made a lovely plaque of sunflowers and butterflies, she gives some as gifts to her family, who are now putting in orders . What a great keepsake to have.

Jim has been part of this for over five years and when I asked him what his favorite thing to do was , he told me it was whatever his wife wanted, so he's not only talented but smart too.

June is the newest member , she has been doing this for about six months so I guess that makes her an apprentice, she says she enjoys everything.

There are about eleven members of the group , and I'm sorry I didn't meet them all.

They all say that they are learning and changing all the time. The latest innovation is 3D and there is a sample of this in the display cabinet .The great thing also about this group of artists is that everyone shares ideas and gives support.

So if anyone out there wants to see art in action, or would like to try their hand at this unique craft ,just have a walk down the hall to the band room on a Tuesday morning and you will be given a warm welcome.

LETS HAVE A LAUGH

BUBBA'S NEW TRUCK

One day, Jimmy Joe was walking down Main Street when he saw his buddy Bubba driving a brand new pickup. truck Bubba pulled up to him with a wide grin and said “Bubba, where'd you get that truck?” Bobby Sue gave it to me” Bubba replied. "She gave it to you? I knew she was kinda sweet on ya , but a new truck?"

"Well, Jimmy Joe, let me tell you what happened. We were driving out on County Road 6, in the middle of nowhere then Bobby Sue pulled off the road, put the truck in 4-wheel drive, and headed into the woods. She parked the truck, got out, threw off all her clothes and said, 'Bubba, take whatever you want' . So I took the truck! "

"Bubba, you're a smart man! Them clothes woulda never fit you!"

I was so depressed last night thinking about the economy, wars, jobs, my savings, Social Security, retirement funds, etc., I called the Suicide Lifeline. I got a call center in Pakistan , and when I told them I was suicidal, they got all excited, and asked if I could drive a truck.

JUST A FRIENDLY REMINDER

Wednesday's Country Nites are still going strong, and through the winter months and the storms our faithful fun loving, foot tapping country fans have enjoyed the music, fun, food and good company of this mid week break. Now it's time for all our fair weather friends to come back and join us.

So remember this date **APRIL WEDNESDAY THE 7th**. We will have a Country Bunny Hop Party to celebrate Easter and the beginning of Spring. Put on your bunny ears or your Easter bonnet and have some **FREE FUN**.

SPAGHETTI DINNER AND OPEN HOUSE

The JFK Senior Center is this years host for the fundraiser that involves all of the senior centers in Lake County. And we need **VOLUNTEERS TO HELP US**.

The dinner will take place at our center on Saturday the first of May.

There is so many things we need volunteers to do like, the setting up of tables and chairs, food prep., food servers, clean up crews for before and after, escorts to show people around, etc, etc.

If you are interested in helping out please see Madonna Knaus or sign up on the sheets in the office.

We need to know as soon as possible how many volunteers we have and what they will be doing.

Also it would be very nice if all the volunteers involved in this project could wear their name badges and their JFK shirts to show our pride in our center.

One more thing. If any of you know of any place that you can legally put up a flyer to advertise this event please pick up a flyer in office.

Thank you from the JFK board
