CASINO TRIPS AND VACATION TRIPS

When signing up for casino trips, it is very important that you provide your player card number if you have one. This is needed by the motor coach company so they can provide the manifest requested by the casinos. Another piece of information that is needed is your birth date. We're not being nosy; this is currently required by the casinos. If you do not provide this information when you sign up, it means extra work and phone calls by our trip volunteers and you may not get your trip incentives.

@@

A NOTE ON MOTOR COACH TRIPS

If you are interested in any announced trip, please let Doris know as early as possible, even if you can't make a deposit at the time. If we know there is interest, we can hold off canceling trips. If you need to cancel a motor coach trip, call Doris at home at 951-9210 or cell phone 478-1802.

REMINDER

You may also bring a friend on these trips. They do not have to be a member of the Senior Center.

AUGUST OUR PAGE

SUMMER BLUES

Well we waited all winter
for blue skies and sun
and now that we've got it
we wished it was done
for the sun is too hot
and the air is too wet
we never thought that this is what we'd get

But cheer up, there's some months to go
before we see that temp get too low
so enjoy and have some fun
make hay while the sun shines
Oh! no that's a pun

THE FLEA MARKET

Well our first flea market has come and gone. We did very well I'm told and everyone seemed happy with the outcome. We could not have achieved it without our wonderful donations i.e. baskets, products, and baked goods, and our great volunteers, who gave of their time and effort. This is what makes our center so great, everyone pulling together to make it all come together. A big thank you to you all. A special thank you to Harold and his friends with the classic cars, for the donation of the angus burgers, hot dogs and buns, also to Gerry and his crew who did a great job (and it was hot out there) also Arlene who made and sold the popcorn. Frank also did a great job with the ad board, I could go on and on, but suffice it to say every volunteer deserves a big thank you.

A DAY AT THE BEACH

July's hike was really a good one, we started out with a little trepidation as the weather forecast said "HOT" but when we arrived we got a great spot under the trees. The lake and skies were so blue we could have been in the Bahamas. After a good walk along the beach, we came back to hot dogs and potato salad and chips, what a feast, courtesy of Dick, Harry and Celine and a few volunteers. On the way home we stopped for ice-cream to finish off a really great day.

THE ROSE GARDEN

Has anyone noticed the rose garden out front lately? If you have, I'm sure you must have seen how pretty it looks with not a weed in sight. We have Nelson to thank for this, one of our volunteers who has been working on this, from early morning (sometimes before Frank arrived). He surely deserves a big pat on the back, because pulling all those weeds was sheer hard work. He has now started on the courtyard and I know he will make it look great. So a big thank you Nelson from us all.

WHY DO WE HAVE CHRISTMAS IN JULY

The tradition of celebrating Christmas in July probably began during the 1980s. The "Christmas in July" is believed to have originated in Australia in July, 1980 when a group of Irish tourists had the proprietor of a hotel in the Blue Mountains in New South Wales to hold a party called "Yulefest". Many countries such as Australia experience warm to hot weather on December 25 and July is their coldest month. At the Bakken amusement park in Klampenborg, Denmark, Christmas is celebrated in July for three days and witnesses the annual World Santa Claus Congress, attended by Santa Clauses from all over the world, accompanied by their wives and the elves.
So now you know.

AUGUST IS FAIR TIME

I hope that you join us as we take a trip to two fairs this year, the Lake County Fair and The oldest one of all, The Great Geauga Fair. This year they celebrate 188 years. The Great Geauga County Fair is Ohio's oldest continuous county fair and one of the oldest existing agricultural fairs in the nation.

HOPE TO SEE YOU ALL THERE

WHAT ABOUT THIS ONE

COME LIVE THE LEGEND!

**Weekends July 10th through to August 15th, 2010.
open 11am - 7pm, rain or shine!**

The Great Lakes Medieval Faire is a shaded, 13th century family fun theme park filled with fine continuous entertainment, juried crafts and artisans, rides and interactive games, and foods fit for a King. Step back in time to an age of romance and chivalry, where brave knights battle on the open jousting field for the favor of the Queen, fair damsels, and the roaring crowd. Join King Richard the Lion-heart, Queen Berengaria of Spain, and the Knights Templar as they visit the village of Avaloch for a day of Celebration and Festivities!

**July 31-Aug. 1 - Pirate Invasion: Patches, Peglegs, Buccaneers & Booty!
August 7-8 - Champions, Gladiators & Games: Togas, Warriors, and Games of Skill
August 14-15 - The Big Barbarian Conquest: Vikings, Warlords, & Other Tough Guys!
The Great Lakes Medieval Faire is located 7 miles South of I-90 on State Route 534.**

Now this fair is different. I think it's great. It's in the woods. It's a step back in time. Many people dress in costume. And you are all a part of it as soon as you walk into the Village of Avalock.

INTERESTED check with me (HARRY) for Photos and Info.

Summer will soon be over, (time seems to pass much faster now days) Frank and your board members try there best to find you places to go, Center activities, parties and functions, Now it's up to you soon the hot weather will pass and we will be more confined to within the Center walls, so get out there try something new even if it's just a small trip, your chair will be waiting for you when you return no one will take it away.

AFTER HOURS AT THE CENTER

**Wednesday Country Nites still going strong, lots of people can't be wrong.
Friday Dinner Dance starting to become a great hit, food, dancing, party fun.
