OUR THOUGHTS

This section is reserved for our members who are ill. Please help us keep it updated.

Get well wishes are extended to Joan Roman, Jerry Jaskiewicz, Carmella Nunes, Gussie Finotte, Howard Hicks, Emi Stidd, Jolanda King and George Futkos. Our sincere sympathy is extended to the family and friends of Don Hillyer and Carol Nelson's sister Betty.

CASINO TRIPS AND VACATION TRIPS

When signing up for casino trips, it is very important that you provide your player card number if you have one. This is needed by the motor coach company so they can provide the manifest requested by the casinos. Another piece of information that is needed is your birth date. We're not being nosy; this is currently required by the casinos. If you do not provide this information when you sign up, it means extra work and phone calls by our trip volunteers and you may not get your trip incentives.

SPECIAL REMINDER

REMEMBER AND BE ADVISED: It is a privilege to participate in the Center and the Bus Trips. Please don't abuse this privilege. When you are asked to return to the bus/motorcoach, be on time! We notify you when the bus will be leaving and the bus arrives at the departure point 15 minutes prior to that. We make every effort to locate you, but if after 15 minutes, you are still not there, we will leave for home. Then you will be responsible for your own return.

A NOTE ON MOTOR COACH TRIPS

If you are interested in any announced trip, please let Doris know as early as possible, even if you can't make a deposit at the time. If we know there is interest, we can hold off canceling trips. If you need to cancel a motor coach trip, call Doris at home at 951-9210 or cell phone 478-1802.

REMINDER

You may also bring a friend on these trips. They do not have to be a member of the Senior Center.

THE PARADE

A few months ago we were deciding what theme we were going to use to decorate the float for the Home Days parade this year, and Celine Burger came up with the Hawaiian one, which we thought would be good. Richard Taylor very generously gave us \$25 because as he said he couldn't physically help. We bought grass carpet, so thank you Richard. Then Harry got the idea of making paper flowers, so I asked a few of the ladies if they would help me, and boy did they ever! So sincere thank you's to Sara Burd, Judy Schilling, Donna Krejsa Marge Ruff and Judy Mathews. A big thank you also to Walt Schilling, George Fischer and his wife Sandy, Paul Cudnik, Julie Scheuer Chet Cutshall, all of whom made it all come together. It turned out to be a good day and we all had a lot of fun, but without this team effort we couldn't have done it. It really makes you proud to be a member.

JFK CENTER IMPROVEMENTS

For almost two years now the Center and the City of Eastlake, have been working hard, (and still are) to find ways to make the necessary improvements to make this Center a better and more homey place for us all.

After filling in many forms, attending lots of meeting and overcoming many set backs, we are finally seeing some results. The ladders are up on the roof and tear off and replacement is underway, there is a lot of noise, dust and paint chips falling from the ceilings, plus the added inconvenience in the parking lot and the closure of entrance doors and rooms. And guess what ! This is just the start of things to come, as there is a long way to go and many more things to do. After the roof is finished, hopefully we will be smelling cleaning supplies, new paint and new wax, plus we will have all the mess of replacing the ceiling tiles. But when it is all over we hope to have a much better and safer Center than we have today.

OK now I have told you what to expect so before you complain, Stop and think! You do not have to listen to the noise or to sit in a room that roof work is being done on, plus I am sure most of you know what to do about a dusty table. The Center has many rooms so you do not have to sit in the room that the work is being done on. So let's all pull together and help in any way we can.

@@

A successful rancher died and left everything to his wife. She was a very good-looking woman but knew very little about ranching, so she decided to place an ad in the newspaper for a ranch hand. Two cowboys applied for the job. One was gay, and the other a drunk She thought about it, but when no one else applied the decision was easy, she decided to hire the gay guy, figuring it would be a lot more comfortable to have him around the house than the drunk. He proved to be a hard worker who put in long hours every day and knew a lot about ranching. For weeks, the two of them worked, and the ranch was doing very well. Then one day, the rancher's widow said to the hired hand, "You have done a really good job, and the ranch looks great. You should go into town and kick up your heels." The hired hand readily agreed and went into town that Saturday night.

One o'clock came, however, and he didn't return. Two o'clock and no hired hand.

Finally he returned around two-thirty, and upon entering the room, he found the rancher's widow sitting by the fireplace with a glass of wine, waiting for him.

She quietly called him over to her..."Unbutton my blouse and take it off," she said. Trembling, he did as she directed. "Now take off my boots." He did as she asked, ever so slowly.... "Now take off my socks." He removed each gently and placed them neatly by her boots."Now take off my skirt." He slowly unbuttoned it, constantly watching her eyes in the fire light.

"Now take off my bra..." Again, with trembling hands, he did as he was told and dropped it to the floor. Then, she looked at him and said, "If you ever wear my clothes into town again, ,,,,,,, your fired.
