It was so good to see so many of you at the Boutique. This was the largest event we have ever undertaken this was mainly due to our partner Angela who did all of the Boutique tables which took up all the main rooms and Hallways. Myself and volunteers did the lobby and the tables in front of the bathrooms plus the food and bake sale etc. The JFK flea market in the Library was done by Maxine and her volunteers who did a great job.

**It takes a lot of people to put an event like this together, far to many to mention by name, so to all of you that helped in any way.**

**THANK-YOU** for a very successful event.
