SOON BE SPRING ?????

Well the calendar say's spring starts on Wednesday, March, 20th.

We had the Wednesday Nite Bunny Hop to welcome it, now all we need is for Mother Nature to do something about the weather and we'll be OK.

You have probably noticed a lot of City employers in the center over the winter months plus they were in the center on third shift, painting, waxing floors, fixing lights and many other things that needed doing. Also all new exterior doors have been installed plus the brick columns outside the lobby will be taken care of when the weather improves and the west hallway floor is still under discussion along with other projects.

So many things are on the move to improve our center, now it's up to you to show your interest in the center, go on those trips, lunches, party's etc. and get more involved in the centers many activities and programs.

If you have a idea or an activity or a program you would like to see happen at the center please, please let us know. Y'all have a great Spring now.
