APPROVAL OF MINUTES

REGULAR COUNCIL MEETING – APRIL 12, 2011

MOTION: Ms. Vaughn moved to approve the minutes of the Regular Council Meeting of April 12, 2011. Mr. D'Ambrosio seconded.

ROLL CALL: Yeas unanimous.

Motion carried. The minutes were approved.

COUNCIL PRESIDENT'S REPORT – Mr. Morley

Meetings Scheduled

Mr. Morley: The next Council-as-a-Whole Committee Meeting is scheduled for Tuesday, May 10, 2011 at 7:00 p.m. The Regular Council meeting will be convened immediately following the adjournment of the Council-as-a-Whole Committee meeting.

This past weekend we have had a lot of rain and a lot of residents have called me. I know Mr. Knuchel, Ms. Vaughn, Mr. D'Ambrosio and I were out. Mr. D'Ambrosio and I were in Ward 4 on Saturday. Mr. Knuchel was out in all Wards last night with Mr. Semik. The good thing is most of the residents I have talked to are commending the Sewer Department and the people who work there. We received a really nice email from one of the people we met with. I know the Mayor has received a lot of calls and has been working with Assistant Service Director Ramski and other Departments to get these issues solved. They have been doing the camera truck and sucking out sewers. I have received all positives on what we are trying to get done. Everyone knows the rain is falling harder than most. Mr. Knuchel had a couple of people who were a little upset but all in all we are doing what we can do to try to take care of this issue.

Mayor Andrzejewski: I too think the guys were out doing a good job. Most of the cases are just too much saturation and nowhere for the water to go. There were a few cases where we found some blockage. I use my own house as an example. Last night we hooked up an old sump pump with some hose and drained my back yard so it would not get in the house. The backyards cannot take much more water.

Mr. Morley: I spoke with Mr. Ramski today too. When you guys go to Waterbury tomorrow to camera give me a call. I would like to be there.

Mayor Andrzejewski: One thing I have told the residents is we will do whatever we can by using our camera truck even if it is in their backyard to try to check the drains and tell them if they have a blockage. The camera truck has been invaluable and has indentified some difficulties. At least we are able to point the residents in the right direction.

COMMUNICATIONS & PETITIONS

A request was received from the Administration to purchase under State Bid an 8-ton dump truck and 1 dump truck body for the Service Department. This was referred to Finance Committee.

A Conditional Use Permit amendment and renewal recommendation was received from the Administration for Pete's Bar & Grille, Inc., 35700 Lakeland Blvd., Eastlake. This was referred to Planning Committee.

A communication was received from Fire Chief Whittington regarding the sale of three defibrillators. Mr. Morley explained that this was discussed in Council-as-a-Whole Committee and will be added to the evening's agenda as Legislation No. 04-26-(11).

A communication was received from the Administration and Thomas Coggins, Manager of Willoughby Taxi Service, requesting an amendment to City Ordinance No. 751.24 "Rates of Fare; Receipts." This was referred to Ordinance Committee.

A communication was received from the Administration regarding the placement of a levy on the November 8, 2011 ballot. This was referred to Finance Committee.

Conditional Use Permit Referrals were received from the Planning Commission for Done-Rite Automotive, 36300 Lakeland Blvd., Unit #4, Eastlake and Coast to Coast Towing, 1351 East 354th Street, Unit #3, Eastlake. Mr. Morley explained that Coast to Coast Towing would be referred into Planning Committee and in working with the Mayor, Mr. Klammer, and Mr. Stigalt Done-Right Automotive has been taken care of and does not have to be referred to Committee.

COMMITTEE REPORTS:

SERVICE/UTILITIES COMMITTEE - Ms. DePledge

Ms. DePledge: The Service/Utilities Committee has not met since our last meeting. There is currently nothing pending in Committee and therefore a meeting will not be scheduled. As the Port Authority liaison many of you know we have been working on the lease agreement with the City of Willoughby, the Port Authority and the City of Eastlake. Progress is as always very slow but I am hoping to put together a meeting with the Law Director, two of the Councilmen, two people from the Port Authority and myself to try to see what we can do. Essentially everyone agrees to the terms of the lease agreement – it is the attachment and the boundaries of the property that we need to hammer out. If anyone wishes to join us for that meeting they are welcome but at this point I am still trying to put it together. This concludes my report and I am open for questions.

There were no questions from Ms. DePledge.

SAFETY COMMITTEE – Mr. Lajeunesse

Mr. Lajeunesse: The Safety Committee has not met since our last regularly scheduled Council meeting, therefore, there is nothing to report.

There were no questions of Mr. Lajeunesse.

RECREATION COMMITTEE – Mr. Hoefle

Mr. Hoefle: The Recreation Committee has not met since our last meeting and nothing has been placed in my Committee so I will not be scheduling a meeting. I am open for questions.

There were no questions of Mr. Hoefle.

PLANNING COMMITTEE – Mr. D'Ambrosio

Mr. D'Ambrosio: I first would like to give my condolences to the Mattingly family. I have got to know you over the last six years and I know you always set up front with your mother. She will truly be missed. The Planning Committee met on April 19th with all members of the Committee in attendance. In attendance from the Administration were Mayor Andrzejewski, Law Director Klammer, and CBO Stigalt. There were several items on the evening's agenda. We discussed them all in Council-as-a-Whole. Most are amendments to Conditional Use Permits and the others were Conditional Use Permit renewals. They were all basic and it was agreed by the Committee to move them forward so I will be making a Motion on those.

Conditional Use Permit Renewals:

MOTION: I hereby move to approve the Conditional Use Permit renewals for:
R & K Enterprises, Inc., dba Surfside Sunoco, 36241 Lakeshore Blvd., Eastlake,
Walmart Stores, Inc., #1853, 34440 Vine Street, Eastlake,
George O'Brien dba Eastlake Marathon, 33650 Vine Street, Eastlake,
LeMay Enterprises, Inc. dba Creative Beginnings Daycare, 34050 Glen Drive, Eastlake,
Lake County Yacht Club, a corporation for non-profit, 35979 Lakeshore Blvd., Eastlake,
C & C Auto Repair, LLC, 35760 Lakeshore Blvd, Eastlake.

Mr. Knuchel seconded.

ROLL CALL: Yeas unanimous.

Motion carried. The Conditional Use Permit renewals are approved.

Additional Comments

Mr. D'Ambrosio: Walgreens did not sign its amended Conditional Use Permit. I suggest we place it on First Reading and we approve the renewal at the next meeting.

Also, during that meeting we had a liquor license request.

Liquor License Transfer Request

MOTION: I hereby move to approve and send back to Columbus, Ohio with no objections the liquor license request for B & H Events & Party Center, LLC dba B & H Events Party Center, 34597 Lakeshore Blvd., Eastlake. Mr. Knuchel seconded.

ROLL CALL: Yeas unanimous.

Motion carried. Liquor License Transfer Request for B & H Events was approved.

Additional Comments

Mr. D'Ambrosio: That concludes my report and I am open for questions.

There were no questions of Mr. D'Ambrosio.

FINANCE COMMITTEE – Mr. Knuchel

Mr. Knuchel: The Finance Committee has not met since our last regularly scheduled Council meeting, therefore, I have no formal report. But, I see a few very important things have been referred into my Committee and I will be getting together with the Clerk and the rest of my Committee to decide if Tuesday, May 3rd, at 6:00 p.m., or whatever time works, is good for a meeting. I did have the opportunity to go out with Mr. Semik last night. We observed several different types of problems with flooding. Some of them were City related but most appeared to be maintenance issues for homeowners. It was very interesting to see the diversity in the types of issues that were going on which were all related to storm water. You don't realize that until you start going around and looking at some of these situations. I do commend your guys. They were out last night. Some of the residents got back with me today who called last night and they were happy with the response they received. I do have a couple of others to talk to you about this evening after the meeting. Your guys did a great job and thank you for that. I will be making the following Motions:

Legislative Recommendations

Legislation No. 04-26-(10)

MOTION: I hereby move to add Legislation No. 04-26-(10) to the evening's agenda authorizing and directing the Mayor and Director of Finance to enter into a Two (2) Year Lease Agreement between the City of Eastlake and Cubby's Clubhouse, and declaring an emergency. Mr. D'Ambrosio seconded.

ROLL CALL: Yeas unanimous.

Motion carried. Legislation No. 04-26-(10) is added to the evening's agenda.

Legislation No. 04-26-(11)

MOTION: I hereby move to add Legislation No. 04-16-(11) to the evening's agenda authorizing and directing the Mayor/Safety Director and Director of Finance to enter into an Agreement with Progressive Medical International for the sale of three (3) defibrillators for the individual amount of Twenty-Eight Hundred Dollars (\$2,800.00) per unit, with said total amount being Eight Thousand Four Hundred Dollars (\$8,400.00). Mr. D'Ambrosio seconded.

ROLL CALL: Yeas unanimous.

Motion carried. Legislation No. 04-26-(11) is added to the evening's agenda.

Additional Comments:

Mr. Knuchel: This concludes my report and I am open for questions.

There were no questions of Mr. Knuchel.

ORDINANCE COMMITTEE - Ms. Vaughn

Ms. Vaughn: The Ordinance Committee also met on April 19th with all members of Council present. In attendance from the Administration were Mayor Andrzejewski, Law Director Klammer and CBO Stigalt. I am not going to discuss the items that are on the agenda – we already reviewed those in Council-as-a-Whole Committee but I will indicate that we discussed other issues that are still held in my Committee which include area regulations for B-1, B-2 and B-3 districts, area yard and height regulations for industrial park districts and also Section 1301.01 on permits and fees. And, believe it or not we finally came to a resolution on Chapter 1385 Title 7 “Housing and Property Maintenance Code” which appears on tonight's agenda. Since I am holding items in my Committee and once again you placed something in Committee I will schedule a meeting for Tuesday, May 3rd. It should not be too long if we have some information back from our Law Director in particularly regarding area regulations and area and height regulations. This concludes my report and I am open for questions.

There were no questions of Ms. Vaughn.

RECOGNITION OF THE PUBLIC

Mr. Morley recognized the public input at this time; he reminded the speakers that there is a 3-minute limit for their comments; all comments are to be directed to the Chair and not include any personalities or individuals.

DISCUSSION:

Mr. Morley: I wanted to add something to the minutes. This is not a cost that will raise the garbage fees. It is an administrative fee when they don't pay their garbage fee. I did not want someone to read the minutes and see that and think it was an increase.

Mayor Andrzejewski: The thing to emphasize is it is for only people who did not pay their fees.

Mr. Morley: That is why I wanted it on there - so, if someone reads this without reading the Committee minutes.

Mayor Andrzejewski: For a year. All along the way we give them the opportunity through phone calls and letters to pay.

Mr. Morley: I agree. I just wanted to make that clear.

ADMINISTRATIVE REPORTS:

MAYOR/SAFETY DIRECTOR – Ted Andrzejewski

Mayor Andrzejewski: We must be doing something right because of all the days we have had rain Saturday for Eastlake Appreciation Day was a perfect day. We sold 1,454 tickets and I would guess most of the people showed up because I know the areas where the tickets were sold and it was pretty crowded. Mr. Morley, Mr. D’Ambrosio and I got to throw out the first pitch. I put a little heat on it in hitting the catcher’s mitt although they hit the mitt too. I must say I think mine had a little bit more zip on it. What do you think Mr. D’Ambrosio?

Mr. D’Ambrosio: I saw another thing.

Mayor Andrzejewski: I sent a memo to Council – the Captains have announced there will be a one-day circus at Classic Park. Hopefully we will support that because the more tickets sold the more 8% ticket tax we get and parking revenue too. We are working at putting a hair cutting salon at the Senior Center. It will offer good value haircuts to the senior’s and also bring in a little rent. Every bit of rent we get helps defray the costs of the Senior Center. We worked on a lease last week. They have to do a little remodeling on the inside of the

classroom they are going to use but that looks like it is a go. We don't want to forget someone – he is not here but he did an awful lot of work this weekend – that is Assistant Service Director Ramski. I called him on Friday, Saturday and Sunday. He came out and I relayed the concerns of the residents to him and he got the appropriate people out there and for the most part was able to solve or at least try to help with their problems – maybe not solve them. I know he is not here but we do not want to forget him in all these accolades. This concludes my report and I am open for questions.

Mr. Morley: Ms. Vaughn, Mayor Andrzejewski and I had the privilege to go to Buckeye Industries – located in Eastlake – where they recycle Styrofoam. Their employees are handicapped. It was nice to see those people. They were happy to be working there. It was a nice thing to see the company find some work for those people. It was a nice outing.

Mayor Andrzejewski: If you go to Dollar General or Marcs or one of the dollar stores and pick up a roll of duct tape – it has a little sticker on it – saying second – the sticker and seal on the duct tape. That product comes from Eastlake.

There were no questions of Mayor Andrzejewski.

LAW DIRECTOR – Randy Klammer

Mr. Klammer: There is nothing to report. The Clerk is working hard on making those amendments. I am open for questions.

There were no questions of Mr. Klammer.

FINANCE DIRECTOR – Mike Slocum

Mr. Slocum: The month of April is probably the scariest month of the year as it relates to income tax collections. It is our giant month. This year we had budgeted \$911,000 – last year we collected about \$850,000. I am happy to report that as of today we are at \$901,000 so we will make the April income tax number which I think is an awful critical number to meet. This concludes my report and I am open for questions.

Mr. Morley: I know the Administration gave us a communication on the tax levy. If there are any questions for Mr. Slocum before Tuesday I talked to him and he said he is available to any Councilperson who has any questions.

Mayor Andrzejewski: Or me.

Mr. Knuchel: Will there be any more information coming out on this levy presentation before we meet Tuesday or are just the sheets we had in our meeting last week enough?

Mr. Slocum: I think just those sheets at this point. If there is some other analysis that you would like to have done I would be more than happy to pull it together. I think that is what I need to present at this point.

Mr. Knuchel: I will talk with you. There are a few things I would like to look at and figure out before the meeting.

There were no further questions of Mr. Slocum.

CITY ENGINEER – Tom Gwydir

Mr. Gwydir: It has been relatively quiet. The Edwards Avenue drainage is underway. We will be requesting to go to bid shortly. With that I am open for questions.

Mr. Morley: They finished the slope failure. Is it part of their responsibility to repair the damage on the opposite side of the road or is it the City's responsibility?

Mr. Gwydir: On the far side of the road? Unless the contactor specifically damaged it.

There were no further questions of Mr. Gwydir.

SERVICE DIRECTOR – Mike Semik

Mr. Semik: We are starting to work on the pool because June is rapidly approaching. We will continue with the resident whenever possible to give them some solutions or answers to their drainage and flooding problems. We continue to work on the roads as far as DuraPatching. This concludes my report and I am open for questions.

Mr. Morley: Do we have any dates on the road repairs? Do we have anything lined up? I know we talked about St. Lawrence and putting down an asphalt layer but any other street in any other Wards?

Mayor Andrzejewski: We are supposed to meet to go over a list – do you have a list ready yet?

Mr. Semik: I am ready when you are Mayor – we will take a look at all twelve. I have twelve streets and they are equally divided in the Wards.

Mr. Morley: When you are done with that can you provide a list?

Mr. Semik: Absolutely.

Mr. Hoefle: I would like to thank you. Last week I spoke with Mr. Semik in regards to some of the damage done by the snow plows in the neighborhoods. I think you have a list. I am not sure if anyone else had any streets they are aware of where the plows did damage. They are waiting for the rain to let up and will be putting soil out to repair those roads. Thank you.

There were no further questions of Mr. Semik.

POLICE CHIEF – Larry Reik

Chief Reik: Thank you to Council and the Mayor for allowing us to use this venue to bring the families in and do this at night when people can attend. I have nothing else to report.

There were no questions of Chief Reik.

FIRE CHIEF – Ted Whittington

(Chief Whittington was absent and excused. Present on behalf of the Chief was Battalion Chief Lloyd)

Battalion Chief Lloyd: Really nothing to report except thank you for doing the plaque for Astro Model. It was a nice gesture for what they did for us. The new defibrillators have come in and will be in service next week. They will be the first in the County. Come over if you wish to see them.

There were no questions of Battalion Chief Lloyd.

CHIEF BUILDING OFFICIAL – John Stigalt

Mr. Stigalt was absent and excused.

TAX ADMINISTRATOR – Angela Keneven-Zanella

Mrs. Keneven-Zanella was absent and excused.
