ZONING BOARD OF APPEALS
REQUEST FOR HEARING

In reference to Codified Ordinance 1153.07, where there is practical difficulty or unnecessary hardship in the way of carrying out the strict letter of the provisions of this Zoning Code, the Zoning Board of Appeals shall have the power, in a specific case, to vary or modify the application of provisions. Please explain the hardship that motivates this request for a variance:

OWNER'S CERTIFICATION:

I hereby certify that the accompanying site plan, drawn to the scale indicated on such plan, is a true and accurate representation showing the lot and the building site, the location and use of all existing buildings on the lot, and dimensions of the lot, yards, and building(s), together with location, size, and use of any and all buildings on adjacent lots within fifty (50) feet from the boundaries thereof, unless separated there from by a street, together with such other information as may be necessary.

It is understood by the appellant that any variance granted by the Zoning Board of Appeals is limited to which such variance applies, and that approval of a variance by the Board does not in any way release the appellant from any other requirement of the laws of the City of Eastlake and State of Ohio.
