Permit Conditions

Permittee Obligations

1. The permittee {land owner} will be responsible for providing a copy of this permit to anyone operating under this permit. Anyone operating under this permit must possess a copy of this permit as well as any applicable state issued permits while operating under this permit. If requested by anyone, the person operating under this permit must produce this permit upon request.
2. The permittee {land owner} must ensure that all equipment used while operating under this permit must be removed from the area covered under this permit no later than two weeks after the expiration of this permit, including but not limited to tree stands, ladders, bait, and traps.

Hunter Obligations

3. Anyone operation under this permit must harvest one {1} antlerless deer prior to harvesting an antlered deer.
4. Anyone operating under this permit will be required to text a picture of the 1st antlerless deer to 440.728.4299 at the location of the kill and not prior to removal of the animal. If no response is given within 20 minutes, the hunter may remove the animal.
5. Anyone operating under this permit must have all applicable State of Ohio licenses, permits, and/or tags for the species being managed and must adhere to any Division of Wildlife rules or regulations.
6. Anyone hunting under this permit may only use archery equipment legal as described in ORC 1501:31-15-11 unless otherwise stated in the special conditions section of this permit.
7. Anyone operating under this permit may only operate in the preapproved areas designated by the Chief of Police or designee.
8. Unless otherwise noted in the special condition section of this permit, anyone hunting under this permit must shoot from an elevated position of at least 8 feet off the ground and have a safety harness in place at all times while utilizing a tree stand.
9. Anyone operating under this permit shall immediately remove carcass and entrails from the property covered under this permit unless the landowner agrees to burial on the property in which case all entrails will be buried or covered so as not to be seen. Animals may not be field dressed in view of the general public.
10. Anyone operating under this permit who attempts to retrieve a deer that falls off of the property that this permit is granted for, shall first seek permission of the owner of that property that the deer rests upon. In the even that that property owner fails to give consent to have the animal removed, the Police Department shall be notified at **(440) 951-1400 Option 5**.
11. Anyone operating under this permit shall immediately notify the Police Department at **(440) 951-1400 Option 5** if the animal being controlled under this permit travels onto a public right of way or public property and requires further measures for harvesting. The Police Department will determine if assistance by the police department is required to retrieve the animal.
12. The hunter will ensure that all equipment used while operating under this permit must be removed from the area covered under this permit no later than two weeks after the expiration of this permit, including but not limited to tree stands, ladders, bait, and traps.
13. Any hunter operating under this permit will have this season's permit number written upon ALL arrows carried by the hunter.

Chief of Police or Their Designee Authorities

14. The Chief of Police or their designee may deem a property or any portion thereof unsuitable at any time if he/she determines it is in the best interest of the public.
15. A city representative or police designee has the right to enter any property listed on this permit.
16. Pursuant to city ordinance 505.15, The Chief of Police or their designee may revoke or suspend this permit at any time if the permittee and/or any person operating under this permit violates any of the listed conditions of this permit or for any other reason deemed appropriate by the Chief of Police.
17. The City of Eastlake, represented by the Chief of Police or his designee, reserves the right to modify this permit process, and its requirements, for the purposes of assisting charitable organizations. This will be done strictly on a case by case basis with the expressed consent of the Mayor of the City of Eastlake or the Chief of Police.

Agreement and Indemnity Clause

18. By accepting this permit, the permittee and all hunters that have signed this permit accept full responsibility for conducting all activities in a safe, legal and responsible manner and to indemnify and hold harmless the City of Eastlake, it's employees, officers, and agents from all liability associated with personal injury and/or property damage, loss and expense, including, but not limited to, damages, legal expenses and cost of defense in any matter arising from the permittee's shooting activities.

Questions can be left on the City of Eastlake Deer Management Hotline at **{440} 728-4299 or email**

deerprogram@eastlakeohio.com. The City will contact the permittee, or hunter, with any questions on the application.

Once the permit is signed by the City of Eastlake it will be mailed back to the permittee. It is the responsibility of the

permittee to **have each hunter/trapper and permittee sign the Wildlife Control Permit and return the ORIGINAL SIGNED PERMIT to the City of Eastlake before hunting can begin. These areas are highlighted in yellow above.** **Permit applications shall only be entertained 30 prior to 30 days after the start date of deer season.**
